Lobbying and Advocacy

Visioning exercise

Visioning exercise

- Groups of 5-8 people
- Chose rapporteur/host
- Brainstorm on 2 questions
- Rapporteur/host writes your answers down
- Report

Questions to answer:

1. WHAT IF...

It's 2030 and agroecology has become the new paradigm of EU agricultural and food policies. What does it look like?

What can you dream of?

2. WHAT NEXT...

How do we get there ?

How would you like AEEU to promote agroecology towards EU policymakers?

**The reform of EU agricultural
policy is already under way**

Thank you!

@MarosSefcovic

With the climate and biodiversity crisis heavily impacting lands & incomes, the transition to [#sustainable](#) food systems is a priority.

I had very productive meetings with agri-food stakeholders on how to bolster engagement on the [#EUGreenDeal](#) & advance on shared objectives.
