What is EUfarms, the European Network of Regenerative Organic Farms?

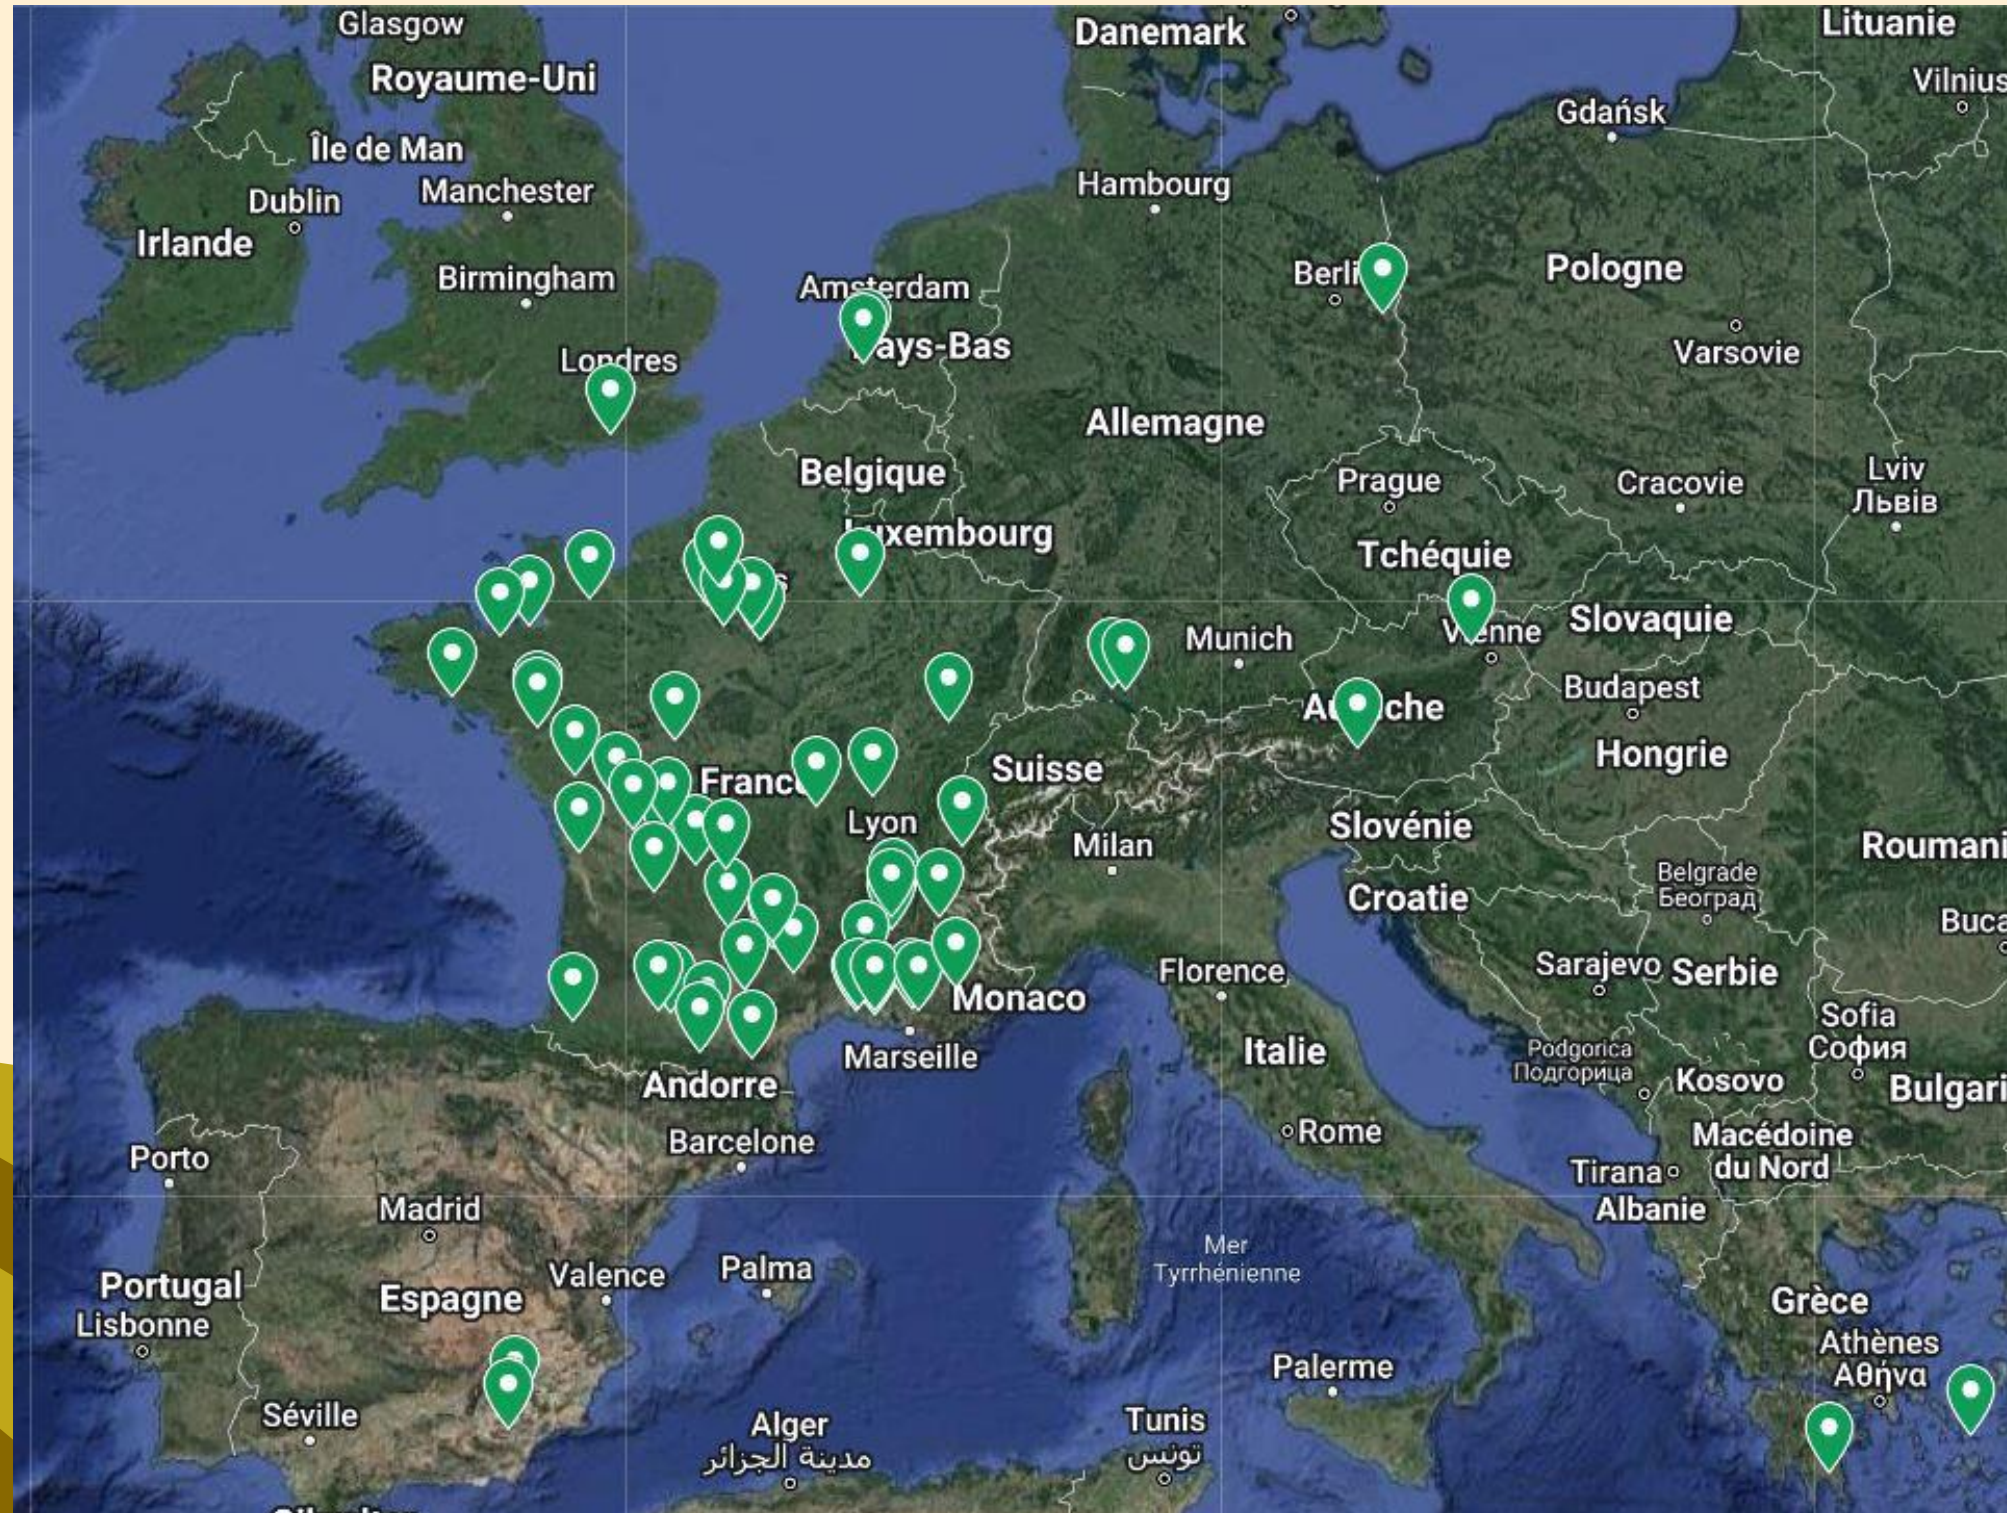

A network of farms:

- Certified organic minimum
- Over 30 ha
- At least 2 production units and 1 processing unit
- Direct or short sales
- Smaller farms that are part of a territorial cooperation dynamic may be included.

A EUROPEAN NETWORK LAUNCHED IN FRANCE

50 farms in France

30 to 1000 ha per farm

Our priorities

- **Making regenerative organic farms visible**
- **Technical exchanges**
- **Training and teaching through a network of Erasmus+ learning farms**

Farmer-to-farmer approaches : ERASMUS+

Saltus Campus High School

- **Using the training experiences of EUfarms to develop our Erasmus+ project.**
- **Like Saltus Campus uses the Domaine de Courances as its practical field support**
- **Teachers and farmers invent together how to teach regenerative organic farming**
